

Human Solutions' Ambassador Board

About the Human Solutions Ambassador Board

Our Ambassador Board is a group of young people in the Portland metro area who support Human Solutions' work in the community. We do that by:

- ✓ Volunteering.
- ✓ Raising funds to fuel our work.
- ✓ Spreading awareness about poverty, homelessness and how Human Solutions works toward a solution.

Why Serve?

Serving on the Ambassador Board is a great opportunity to see how a social service/anti-poverty/affordable housing non-profit works and to learn what it means to serve on a Board of Directors. It's also a rewarding way to meet new friends and connect with others in the community through service work. Plus, it's great on your resume!

What We Do

We host events to raise awareness, friends, and funds. We volunteer at Human Solutions doing things like cooking and serving meals at one of the emergency shelters, helping out at the annual auction, promoting the year-end fundraising campaign and hosting happy hours. What's *your* idea?

Time Commitment

The Ambassador Board meets quarterly for two hours and volunteers quarterly for 2-4 hours. Going forward there may be a signature event to plan annually. Terms are currently unlimited.

How to Join

We are actively growing this group in 2019! Get in touch to learn more and decide if it's a fit for you, or just submit an application to be reviewed by the current Ambassador Board president and our Development Director.
