

Lilac Meadows Staff-

My family & I want to thank you for all the support & understanding you have given us. We, as well as others, wouldn't have gotten through this transition without kind & caring people like you. You all are easy to

talk to & get along with. I can honestly say I've never had an easier or smoother time living/being homeless. You are AWESOME! We love ya'll & we'll miss ya'll & always Tasha Harris & kids
